# Pet Food Drive

Runs through November 9

Benefits ACTS Operation Turkey

Sponsored by: Prince William SPCA

Prince William SPCA and ACTS are once again teaming up to provide safe and healthy food for pets this Thanksgiving. We know that families love to include pets in celebrations. However, turkey bones, rich gravy, side dishes and sugary desserts are unhealthy and can be very dangerous to our pets. As an alternative, our volunteers will make up pet goodie bags that will be distributed with the Operation Turkey meals. Help us fill the bags by making a donation today! Donations will be collected on November 9th (see below) or at any Prince William SPCA event.

**Drop off donations on Saturday, November 9, at the Prince William County Government Center McCoart Building. 11 AM - 2 PM.**

Volunteers are needed to organize and bag the food. Sign up to volunteer on our website [www.pwspca.org](http://www.pwspca.org).
