Great project to earn community service hours!

Thank you for your interest in hosting a pet food drive. Helping needy families is easy, fun, and very rewarding. Here is how you can help:

1. Determine and receive approval for drop off locations that can include schools, churches, community centers, businesses, etc.
2. Print out the provided flyers and place on boxes. Post your organization's name and dates of collection.
3. Place boxes in drop off locations.
4. Publicize your pet food drive.
5. Collect your donations.
6. Deliver your donations to one of the locations listed to the right.
7. Take photos and share your story with us via email at pwspca@pwspca.org or on our social media @pwspca.
